

5th Bethe Center Workshop

LHC Run1 Aftermath: Where Theory Meets Experiment

30.09. - 03.10.2013

Physikzentrum Bad Honnef, Germany

Higgs

Understanding and interpreting the new Boson

SUSY + BSM

Status and future of SUSY and other BSM models

SM Precision

Precise SM computations and measurements

Flavour

Understanding flavour and implications for
the search for New Physics

Organizing Committee

Philip Bechtle

Klaus Desch

Herbert Dreiner
